Government's Economic response plan

Government has established an economic response plan with a view to support workers, stabilise businesses, ensure availability of strategic reserves and promote opportunities for economic diversification.

As a result, the Special Fund known as "COVID-19 Pandemic (Corona Virus) Relief Fund, has been established through the Ministry of Finance and Economic Development to deal with such.

The Fund provides financial resources to cater for the procurement of national relief supplies; evacuation cost for citizens outside Botswana; national publicity outreach programmes; relief of selected industries or sectors; public counselling centers or facilities; additional staff to support health professionals and an economic stimulus package post COVID-19 Pandemic.

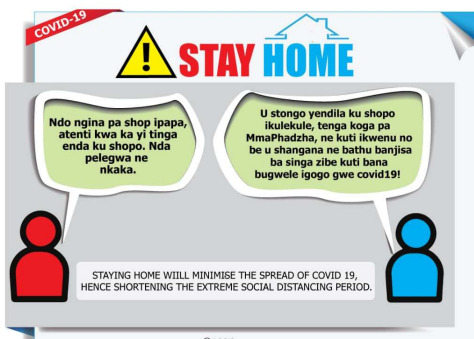

Hon. Dr Thapelo Matsheka

#Africa vs Virus CHALLENGE

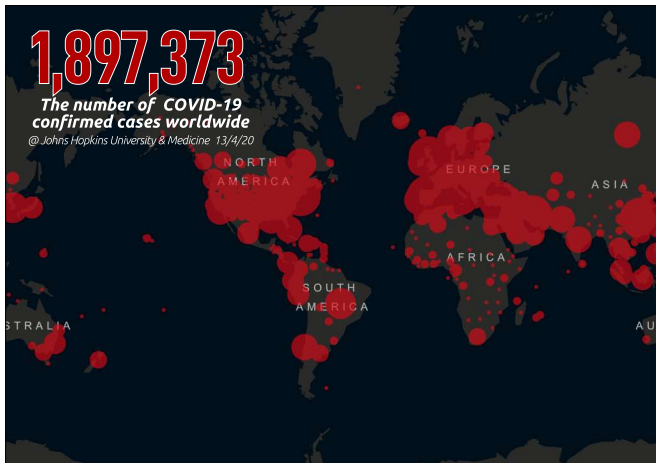

April 17 - 19, 2020 Register here: <https://africavsvirus.com/>

The African Development Bank through its Jobs for Youth in Africa Strategy is launching the #AfricaVsVirus Challenge, an opportunity to create tech and non-tech solutions to tackle some of the most pressing challenges created by the coronavirus pandemic.

Socially committed citizens worldwide, problem solvers, creative minds, health experts, programmers, graphic and web-designers are therefore called to come together in a 72-hour digital collaborative process to bring about ground-breaking solutions addressing some of the social and economic challenges posed by the coronavirus. The best solutions will be selected and will be fully implemented with partners and donors in Africa and worldwide.

The #AfricaVsVirus Challenge will take place from April 17th-19th, 2020 online. Participants will have 72 hours to collaborate in teams and build solutions to specific challenges. Kick-off session, Thursday 16th at 18:30 GMT+1 and ends on Sunday 19th at 18:30 GMT+1.
